

## **EBSA Bursaries**

The EBSA Executive Committee (<http://ebsa.org>) has offered to support **6** bursaries for PhD students and postdoctoral fellows who wish to attend the meeting.

*Applicants are asked to carefully read the following notes before filling out the application form* ([download form](#)) and submit their application by no later than **15<sup>st</sup> May 2022** by email to: [rbc2022@aok.pte.hu](mailto:rbc2022@aok.pte.hu)

Eligible applicants are PhD students registered in the EU area and Postdoctoral fellows working in the EU area. For the purpose of this application, EU area includes EU member states, EU associated states, countries of the former Soviet Union, Israel, Egypt. Visits must be to an EBSA Member country that is not the home or base country of the applicant. Previous recipients of EBSA bursaries are eligible for new awards, but not within 24 months of the end of the previous award and not if they have failed to submit a report of the previous visit. The bursary is to be used to defray the cost of travel and to contribute to the cost of subsistence, such as accommodation and the cost of registration. Travel is expected to be by low-cost airline, train, or bus. Payment will be carried out in a single payment, by the organizers, as close to the time of the event as possible. The amount made available for each participant will be no more than 400 €.

The awarding of bursaries will be decided by the **Regional Biophysics Conference 2022** Awards Committee, within the financial framework provided by the EBSA Executive Committee. **Applications must be received at least 1 month prior to start of the event.** Applications that come in later will not be considered. The Awards Committee will have the final say for decisions concerning eligibility, scientific merit of the application and the level of support. The Awards Committee may ask the applicants to provide supplementary clarifications or to modify the proposals. In case of a dispute about procedure, the EBSA Executive Committee will have the final decision.

All recipients of an EBSA Bursary are required to submit a brief report (1 page maximum) describing the achievements during the visit. The report must be received by the **Regional Biophysics Conference 2022** Awards Committee within 1 month of the end of the award. All correspondence will be carried out by email, in English.
